You are expected to do every assigned homework problem. You should review the relevant sections of the text and review the relevant class notes. Your solutions must be clearly written and neatly prepared. In particular, your pages must be stapled together, and must not have rough edges.

Due 10/23: Beachy and Blair §3.5: 1, 2, 3, 5, 7, 11, 14, 16.

Extra problems: Attempt these only after you have tried the problems above.
You can try some, all, or none of the extra problems.

§3.5: 13, 15, 18, 20.
