ADA: If you have special needs as addressed by the Americans with Disabilities Act and need any assistance please notify me immediately.

Attendance: I expect you to attend all classes, recitations, and computer labs. A grade penalty will be exacted if you have an excessive number of absences (whether excused or unexcused); see the Bulletin of Undergraduate Studies:

If you plan to leave before class is over, the correct procedure is to mention this to me before I start class. It is impolite and disruptive to leave class while I am lecturing unless you have followed this procedure.

Homework: I will assign homework each week, due in recitation on Mondays. To succeed in the course, DO (rather than read or watch) all of the homework, until you are sure that your answer is correct. ASK about the problems that cause you difficulty.

Exams: There will be three midterm exams and a cumulative final exam.
Grade Breakdown: 25% from Homeworks, 20% from Labs, 35% from Midterm Exams, 20% from Final Exam.

Supplemental Instruction: SI sessions are facilitated by Brooke Carver (carverk@mailbox.sc.edu). Your SI leader will facilitate discussion and activities that encourage you to practice, discuss, and ask questions about the most recent lecture material. All SI sessions are held in the Student Success Center, Thomas Cooper Library. You can find the days/times for your SI leaders sessions at
