

**Exercise.** A variant of Exercise 2.2.3fg.

§2.2

Write a useful negation of each of the following statements.

⟨Remember, we discussed useful in class (e.g., do not talk in double negatives.)

**f.** If you graduate from UofSC, then you will get a job or you will go to graduate school.

Cut this one red line out and then put answer to (f) here.

**g.** If I play tennis, then I will wash the car or I will do the dishes.
