

MARK BOX		
PROBLEM	POINTS	
6	25	
8	25	
10	25	
12	25	
17	25	
%	100	

NAME: _____

INSTRUCTIONS:

- (1) Do **4** of the problems of the 5 problems listed above from Knapp's book on pages 289–292.
 - (2) Use complete sentences.
 - (3) Please, for the ease of grading.
 - Start each new problem on a new sheet of paper.
 - Write on only one side of a sheet of paper.
 - Leave me enough space for my many comments.
 - On the top **right hand corner of each page**, put the problem number and your name or initials.
 - Start writing on a piece of paper so that, when stapled, one can read your solution.
 - (4) When finished:
 - put your pages in order with this exam paper on top
 - staple them together
 - in the MARK BOX above, circle the problem that you chose to do.
-
