

Homework

Due Monday

1. This will no be collected, but you are to read §4.5 and §6.1. **The quiz on Wednesday will be based on the reading from §6.1.** Things like problems 1 and 2 on pages 340–341 are fair game. You will be expelcted to know the defintion of *staff-hours*, *work*, productivity rate, *human effort* and the basic relation

$$\text{work done} = \text{productivity rate} \times \text{human effort}$$
