Office Hours: by appointment (I am here all day. If I know when you plan to visit me, I’ll be sure to be in my office, rather than at some random place in the building.)

Homework: All of the homework for the semester is posted on my website. To succeed in the course, DO (rather than read or watch) all of the homework, until you are sure that your answer is correct. Do the homework in a timely manner (that is, before I go over it in class). ASK about the problems that cause you difficulty.

I will assign a few homework problems each class. Be sure to do these problems before the next class. The quiz questions will be taken directly from the homework.

I will not collect and grade homework. On the other hand, if you want feedback on your work between exams and/or quizzes, then write it down and give it to me. I’ll tell you what is right and what is wrong and make suggestions. You can give me whatever you like: homework I have assigned, other problems from the text book, other relevant problems, etc. You should write your work up in a professional manner (that is, use nice handwriting, dark ink or dark pencil, write from left to right, top to bottom, in complete sentences, etc.) I don’t see any point in you giving me a solution which you copied from the text book or from the blackboard.

Drop Date: The last day to drop without receiving a WF: Monday, February 20. You will have two exams and 4 quizzes before that day.
Attendance: I expect you to attend all classes. A grade penalty will be exacted if you have an excessive number of absences (whether excused or unexcused); see the Bulletin of Undergraduate Studies (http://www.sc.edu/bulletin/ugrad/acadregs.html). If you plan to leave before class is over, the correct procedure is to mention this to me before I start class. It is impolite, disruptive, and a bad idea to leave class while I am lecturing unless you have followed this procedure.

Old Exams: The exams I gave the other two times I taught this course are available at my web site.

Quizzes: There will be 9 quizzes. The quizzes will be given Thursday 1/12, Thursday 1/19, Thursday 2/2, Tuesday 2/7, Tuesday 2/21, Thursday 3/2, Thursday 3/23, Thursday 3/30, and Tuesday 4/4. Each quiz will be worth five points. The quiz will consist of one problem from the previous night’s homework. I will drop your 2 lowest quiz scores and calculate your final quiz score out of 35. THERE WILL BE NO MAKE-UP QUIZZES.

Hour Exams: There will be four hour exams. They will be given:
Thursday, January 26,
Tuesday, February 14,
Thursday, March 16, and
Tuesday, April 11.
Each hour exam is worth 50 points. I will drop your lowest exam score. THERE WILL BE NO MAKE-UP EXAMS.

Final Exam: The final exam is worth 100 points and will be given on Wednesday, April 26, at 2:00 PM.

Final Grade: 35 points Quiz score
150 points Exam score
100 points Final Exam
285 points Total.
256–285 A
228–255 B
199–227 C
171–198 D

If your performance at the end of the class indicates that you should receive a grade higher than is calculated from the above chart, then you will receive the higher grade.
