Pi Mu Epsilon, Inc (PME), is the Honorary National Mathematics Society. It was founded on May 25, 1914 at Syracuse University and currently has over 300 chapters at colleges and universities throughout the United States. The purpose of PME is the promotion of scholarly activity in mathematics among the students in academic institutions.

PME Pledge: “I solemnly promise that I will exert my best efforts to promote true scholarship, particularly in mathematics; and that I will support the objectives of the Pi Mu Epsilon Honor Society.”

Special Guests:
Cornelia and Leland Williams
Dr. Wyman Williams helped shape the USC Math Department, as a professor from 1924-1970 and as Chair of the Department from 1942-1967. To find out more about him, visit the Wyman Williams Room (LeConte 408) where you will find his portrait and a book detailing his accomplishments. Tonight we welcome to our PME Initiation Ceremony PME member, and son of Dr. Wyman Williams, Dr. Leland Williams and his wife, Mrs. Cornelia Williams. Dr. Leland Williams received his B.S. in math from USC in 1950, his Masters from the University of Georgia in 1951, and his Ph.D. from Duke University in 1961. He was a professor in the math and computer science departments at Florida State University and Auburn University. He spent 18 years at the Triangle Universities Computation Center, part of which he was the director of the center, and held positions at Duke University, UNC, and NC State. He then spent 9 years at the Naval Research Lab in Washington DC. After all his years of service to the mathematical community, he is glad to call Columbia home again.
