High School Math Contest
Saturday, December 9, 2006
(Volunteers needed!)

Dear Faculty, Staff, and Students:

The Math Department is sponsoring its 21st High School Math Contest on Saturday, December 9, 2006. We are expecting 300 students, 40 teachers, and some parents representing about 35 high schools. The Department needs your help to make this contest a success. In particular, volunteers are needed to help with set-up, registration, proctoring, and judging. All judges will receive solutions before the start of the contest.

Choose the contribution that you are able to make by filling out the form below. Your support is very much appreciated. Volunteers will receive a subsequent letter with a more detailed assignment.

Thanks for your help!

Bob Murphy

Please return the form below to Bob Murphy’s mailbox by Monday, November 27th.
