## Student Research

by Prof. Anstee

Prof. Anstee with students

Prof. Anstee will give some problems in Matching Theory (Graph Theory) and Extremal Combinatorics. He will present basic results and interesting proofs that provide good introductions to these topics. He also will present results that were joint with his students as part of the NSERC (the Canadian version of USA's National Science Foundation) Undergraduate Summer Research Assistantships.

Tue. 26<sup>th</sup> Feb. 2013

7:00 pm

LeConte 310

after the PME Spring Initiation Ceremony

Prof. Richard Anstee is a mathematics professor at University of British Columbia in Vancouver, Canada. He is visiting USC for the Spring 2013 semester.

Event supported in part by  
Residence Hall Association

For more info visit PME/GMC on FaceBook and at <http://www.math.sc.edu/~pme/>.
