

Pi Mu Epsilon & Gamecock Math Club

Undergrad Math Research Info Night

Tuesday 14th November 2017
LeConte 310 starting at 7:00 pm

An informative presentation about

- **Budapest Semesters in Mathematics**
- **The Gilman Award**

Information will be distributed about

- **REUs (Research Experience for Undergraduates)**
- **Internships (USC Career Center)**
- **Magellan Scholarship**

Fellow students and other USC representatives will discuss how to go about finding and choosing a math research project right for you.
