**REUS** (Research Experiences for Undergraduates)

**NC State's MSA program**

Tuesday 13<sup>th</sup> November 2018

5:30pm LeConte 310

**REUs**

Information about Research Experiences for Undergraduates will be distributed.

USC Undergraduates who attended REUs in Summer 2018 will be available to answer questions.

**Master of Science in Analytics**

Information about the Master of Science in Analytics program at NC State University's Institute for Advanced Analytics will be distributed. Valerie Schwartz, Head of Admissions at the Institute for Advanced Analytics, will be available to answer questions.

For context: The MSA is an intensive 10-month program that blends applied mathematics, statistics, computer science, and business disciplines into an innovative education designed to prepare data-savvy professionals for leadership in a digital world. It's a great, broadly-applicable option for those who have a passion for working with data and a high propensity for teamwork.
