STEM Resume Workshop by Keely Hein, Cigna Actuarial Senior Analyst

Zoom Link

Join us for a resume workshop hosted by members of Cignas Actuarial Executive Development Program. We will discuss best practices when writing a resume for STEM fields and provide insight on what recruiters look for when evaluating a resume. Cigna has many developmental programs with Full Time/Internship opportunities and we plan to provide a brief overview as well as information on how to apply.

Thursday 3rd November 2022 at 6pm
Zoom
