a score of at least 70 % will be at least a **C**
a score of at least 67 % will be at least a **D⁺**
a score of at least 60 % will be at least a **D**
a score of less than 60 % will be an **F**

Comments:

- (i) The quizzes will be based on the homework. The quizzes will be announced unless it is the impression of the instructor that the homework is not being done by a significant number of the students. If at some point the instructor feels that the homework is not being done properly, he will announce in advance that future quizzes will be given unannounced.
- (ii) Calculators are not permitted on quizzes, tests, and the final exam.
