Purchase Maple 12 Student Edition for only \$40

Save **60%**

That's a savings of nearly 60% off the regular price!

To purchase Maple 12 Student Edition for only \$40, go to webstore.maplesoft.com and enter the following promotion code: **UOSC245**

Maple 12 Student Edition

Maple 12 is ideal for students enrolled in any math, science, or engineering course. Solve problems instantly with a click of the mouse, finish assignments and projects faster, improve your understanding of even the most difficult subjects, and explore on your own. Maple provides interactive tutors, which display all of the required steps and the “thinking” behind the math problems you are facing.
